The Best Applied Mathematics Result

Author1 Name* and Author2 Name†

This is a LaTeX template for a research contribution for DOE's Applied Mathematics Principal Investigators meeting. This meeting will be held at Argonne National Laboratory, October 15-17, 2008. The theme areas for this meeting include

- Linear systems
- Discrete methods
- Nonlinear systems
- Multiscale phenomena
- Optimization of complex systems
- Uncertainty quantification/sensitivity analysis

Please note the following requirements:

- Describe your research contribution in 1 page.
- **Boldface** the name of the author that will present the work.
- Submit by August 8, 2008.
